

# **More And More**

Michael Neale

## **Verse One**

To know You as my Father  
To know You as my King  
To know You in Your resurrection power and suffering  
To know You as my Teacher  
To know You as my Light  
To know You as the Lamp unto my feet  
All through the night

## **Chorus**

O I wanna know You  
Deeper than before  
O I wanna know You  
More and more

## **Verse Two**

To know You as my Healer  
To know You as my Love  
To know You as my Advocate to Heaven's throne above  
To know You as my Savior  
To know You as my Lord  
To know You as the coming King  
Who reigns forevermore

## **Chorus Two**

O I wanna know You  
Deeper than before  
O I wanna know You  
More and more  
More and more  
More and more  
More and more  
More and more  
More and more

## **Verse Three**

To know You as Forgiver  
To know You as my Friend  
To know You as my Comforter when all is crashing in

## **Chorus, Chorus Two**
